Note 1 - Parts VIII	PART V111 INFORMATION ABOUT OFFICERS, DIRECTORS, TRUSTEES	Effective October 1, 2007, the Foundation established a Group Long Term Care Insurance Plan covering employees with ten years of service, consultants with ten years of service as an employee and their spouses and domestic partners. The plan provides, among other things, that after premiums have been paid for ten years for an employee and the employee spouse or domestic partner, their coverage will be automatically renewed for the rest of their lives without any further premium payments. Effective October 1, 2008, the foundation established a Group Life Insurance Plan covering employees with ten years of service and their spouses and domestic partners. The benefit for the employee is a permanent individual life insurance policy of \$500,000 (\$250,000, if compensation is less than \$100,000), while the benefit for the spouse or domestic partner is a similar policy in the face amount of \$250,000. The individual policies are owned by the employee and are issued under the group plan. Each employee policy is designed to be fully funded after the payment of five annual premiums by the Foundation (approximately seven years as to each spouse or domestic partner policy).																																																																																																																																																
Note 2 - Parts VIII	PART V111 INFORMATION ABOUT OFFICERS, DIRECTORS, TRUSTEES	Effective October 1, 2007, the Foundation established two related, unfunded deferred compensation plans which together provide an annual benefit in excess of the maximum contribution allowed by the Internal Revenue Code for the year under the Foundation's Tax Sheltered Retirement Plan.																																																																																																																																																
Note 3 - Part XV, Questions 3a and 3b		For the grants to individuals paid during the year and the grants approved for future payment to individuals, none of the individuals have any relationship to any foundation manager or substantial contributor.
