The attached anonymous letter was sent to the Bureau, attention Security Clearances Department, from Long Beach, California. The letter reads as follows:

"12 Jan '70

Gentlemen:

I am writing you, because after reading the enclosed letter and seeing who it was to, I feel for the security of the nation. The man it was written to is aboard the Ticonderoga at this time. He was an "RM" Striker on my ship & I believe he will be one on the Tico. With the information given in the letter I do believe that a small investigation should be in order to find out the facts & any links between the two people. I am not giving you my name for I am about to be discharged from the service & don't want any delay. I realize you can find out who I am by fingerprints if you must but I do not see where it is in order.

"PS [redacted] said hi"

On January 26, 1970 [redacted] East Chicago, Indiana Police Department, advised that [redacted] and the girl [redacted] are unknown to him and that they have no arrest record with his department.

b7C

[redacted] further advised that he had no information indicating that a coalition of Latin and Negro youths in East Chicago and Gary has been formed and stated that in the past there has generally been friction between these two groups as well as various youths from East Chicago and Gary.

[redacted] related that the above mentioned youths gangs are from Gary, Indiana with the possible exception of the Black Devils. [redacted] stated that at one time there was a Red Devils Negro street gang located in the Indiana Harbor section of East Chicago but that this gang has not been active recently.

b7C

On January 27, 1970, [redacted] Gang Intelligence Unit, Gary, Indiana Police Department, advised that Blacks Inc. was originally founded in the spring of 1969 by adult homeowners in the western section of Gary for the purpose of obtaining Federal funds for playgrounds in the area. He advised that the organization had been unsuccessful and has since disbanded.

BLACKS INC.

b7C [] related that the current Blacks Inc. is composed of Negro high school students who to date have not posed any serious law enforcement problems and to his knowledge are not powerful enough to warrant their forming a coalition with any of the other Negro youth gangs in Gary.

[] related that the groups that are mentioned in the above letter are all Negro street gangs in Gary with the exception of the Mystics which has been primarily the motor cycle gang which has included Negroes, Latins and whites from Gary, Hammond and East Chicago.

b7C [] advised that the Black Devils are possibly the East Chicago Negro gang previously known as the Red Devils.

[] related that the Kangaroos of Gary has been the largest street gang and that former members of the Kangaroos have founded the 18th Street Gangsters, the Mafia and have assisted the Kangaroos in their rivalry against the Tarrytown Rangers which is the other major youth gang in Gary.

[] advised that he has received no information from his sources within the gangs which would indicate that a coalition of Negroes and Latins from Gary and East Chicago has been formed.

b7C [] further advised that he has been in receipt of numerous rumors indicating that an unspecified number of automatic weapons are in the Gary area.

[] stated that he has been unable to substantiate these rumors and was of the opinion that if these weapons do in fact exist, they would have been utilized in several recent instances of random firing between various gang members in Gary.

On January 28, 1970, a second confidential source, a representative of another Government agency, advised that [] was born [] at East Chicago, Indiana and on March 27, 1969 while residing at [] East Chicago, Indiana, enlisted in the United States Navy receiving Navy Serial Number []
